

Psychologist I

Characteristics of Work

This is professional work which involves administering diagnostic psychological techniques designed to appraise intelligence, memory, personality and other psychological functions of individuals and groups. The work also includes individual psychotherapy and counseling and psychological research into mental disorders and aging. Incumbents in this classification receive general supervision or direction from an administrative superior, clinical director or a psychologist of a higher classification. Their work is reviewed by consultation and conferences. Supervision is generally exercised over subordinate technical personnel and fellow research workers in their departments.

Examples of Work

Examples of work performed in this classification include, but are not limited to, the following:

Administers, scores and interprets both routine and complex psychological examinations to determine intelligence, mental deterioration, social maturity and other personal traits.

Interprets tests and psychological interview results for information to be used by psychiatric staff and other staff members for diagnosis and treatment.

Attends conferences with psychiatrists, social workers and other staff members for diagnosis and treatment of cases.

Participates in psychological research projects.

Performs related or similar duties as required or assigned.

Essential Functions

These essential functions include, but are not limited to, the following. Additional essential functions may be identified and included by the hiring agency.

1. Administers and interprets psychological tests.
2. Assists in developing treatment plans.
3. Conducts individual and/or group therapy.
4. Supervises subordinate technical personnel and fellow research workers.

Minimum Qualifications

These minimum qualifications have been agreed upon by Subject Matter Experts (SMEs) in this job class and are based upon a job analysis and the essential functions. However, if a candidate believes he/she is qualified for the job although he/she does not have the minimum qualifications set forth below, he/she may request special consideration through substitution of related education and experience, demonstrating the ability to perform the essential functions of the position. Any request to substitute

related education or experience for minimum qualifications must be addressed to the State Personnel Board in writing, identifying the related education and experience which demonstrates the candidate's ability to perform all essential functions of the position.

Physical Requirements: These physical requirements are not exhaustive, and additional job related physical requirements may be added to these by individual agencies on an as needed basis. Corrective devices may be used to meet physical requirements.

Light Work: May frequently walk or stand and/or frequently exert force equivalent to lifting up to approximately 10 pounds and/or occasionally exert force equivalent to lifting up to approximately 20 pounds.
